Call for Papers

The upcoming 2020 Supply Chain Management for Efficient Consumer Response Conference will address a number of topics around these new challenges, and is now opening a call for papers.

Those interested in submitting papers can address, but are not restricted to, one of the five following topics:

- | | |
|--|-------------------------|
| Digital Supply Chain (DSC) | Supply Chain 4.0 |
| Digital Connection in Supply Chain | Digital Supply Network |
| The Supply Chain Revolution/Transformation | Digital Marketing |
| Modern Trends of Digitalization in Transport | SC Risk & Security Mgt. |

Abstracts should be submitted in English and a maximum of 300 words (minimum 100 words), accompanied by five to eight key words. This should be accompanied by the form described in the attached template. The deadline for submissions is 21st September 2020. Once your abstract has been approved, additional information will be provided about how to turn your abstract into a complete article. Deadline for articles to be submitted by 15th October 2020.

During the event, your presentations should be in PowerPoint format, be between 20-25 slides and should last around 25 minutes, with five minutes at the end for Q&A. Presentations should be live, but can be in person at the event or delivered remotely.

Conference Proceedings

The participation fee, for the 2020 SCM 4 ECR Conference, **is FREE** for those attending in person and includes attendance and inclusion in the magazine: **SCM Journal**.

The scientific papers should be oriented toward best managerial practices. On the second day of the Conference, we will also hold a section dedicated to Ph.D., students and master's students in a special Master and Doctoral Workshop. Under the guidance of an academic, they can propose articles or Work-in-Progress (WIP) and the best of them will be rewarded.

The papers, in an extended form, will be published in **Supply Chain Management Journal** (www.scm-journal.com - Copernicus Data Base, DOAJ), the single specialized academic magazine in SCM and Logistics, in Romania

All information's for direct/live transmission/participation will be transmitted in time.

Hosts & Organizers:

The Conference will be chaired by **Professor VIRGIL POPA Ph.D.**, Valahia University of Târgoviște, Romania, and co-hosted by **RUEDIGER HAGEDORN**, director End-to-End Value Chain and Standards, The Consumer Goods Forum.

The event organizer is **The SCM for ECR Laboratory** - The Faculty of Economic Sciences from Valahia University of Târgoviște, and special partner The Consumer Goods Forum – End-to-End Value Chain & Standards.
